

## *ST 15 Beerenauslese*

0,75 Liter

.....

This wine is origin from the Rheinhessen regions. Beerenauslese is the German term for the method of harvesting grapes individually hand-picked from the vine and strictly selected. Overripe grapes are being pressed to make this wine into a concentrated dessert wine. This Beerenauslese has a fine bouquet, a perfect, elegant, sweet experience. On the nose, scents of peach and mango with a hint of honey. The palate of this Beerenauslese is extremely elegant and complex, as well as very light. Rare and exquisite wines with distinct honey-like aromas. Delicious wine in combination with strawberries, apple pie and crème brûlée.
