

## *ST 23 Pinot Blanc Cuvee*

2020 | 0,75 Liter

Pinot blanc, like all Burgundie, is very demanding regarding the environment. Pinot Blanc grows well in deep, nutritious and warm soil with sufficient moisture, but especially in soil with a lot of lime. Most people know Pinot Blanc as Pinot Noir. Because of its mild aromas and the fine, fruity character, more and more enthusiasts appreciate this grape variety. The wine matches well with asparagus and young cheeses.
